Robyn,
(I put this in the front because I want you to read it first)
I want you to know that the two years I've been a counselor have really known you, you've been a terrific friend to me!
When I was just a Sophmore, and a terrible rider who didn't know anything about Rodeo - you really helped me out and I'll forget that! I wish you all the best of future and you deserve the very best. Keep your pretty smile !!
Love, Kristy D.
:)

Hey Babe,

This year is both the end of our Okme career and the beginning of us being apart. I don't know how you feel, but I'm going to miss you more than I've missed anyone before. I don't need pictures or anything else to remember your beutiful face and that irresistable, sweet personality. I truely mean this, if I could live this year over and have the chance of going out with you again instead of S.A. I wouldn't think for a minute, instead I'd take you in my arms and hold you as long as you could stand it. That mistake is one of the many I'll always regret. I still remember that first night when you asked me to dance to "Freeband" as if it all happened last night. When you tell me about how you used to feel about me I get chills of happiness and I wish it still were true. But you are right, Okme is no place to go out with anyone even though I feel we could probably still be going out, I do want to ask you here in your year book, if you're ever looking for someone to take care of you and treat you nothing less than you should be treated (the best), I'm not too hard to track down. Will you maybe look me up? There will always be a place in my heart for you and the memories we've shared. You're quite a woman. Some guy is going to be very lucky to have the chance of feeling your love. Someday I hope to come back to you and try to have that chance. I don't mean to be over dramatic, but I truely mean it. Take care of yourself and ride those horses like its your last time. Good luck in the states, nationals and if you choose to follow it through I have faith in you that you'll go all the way to the pro circuit or what ever it's called. Damn you're an eye catchee on that horse of yours. It is going to be hard to let go after graduation even though you're not mine I still feel like I am losing an important and very special person in my life. Well it is time to close even though I could go on and probably fill your whole book. How do I close?

From a person who will always be there for you. With all my love.

LOVE,
Ned

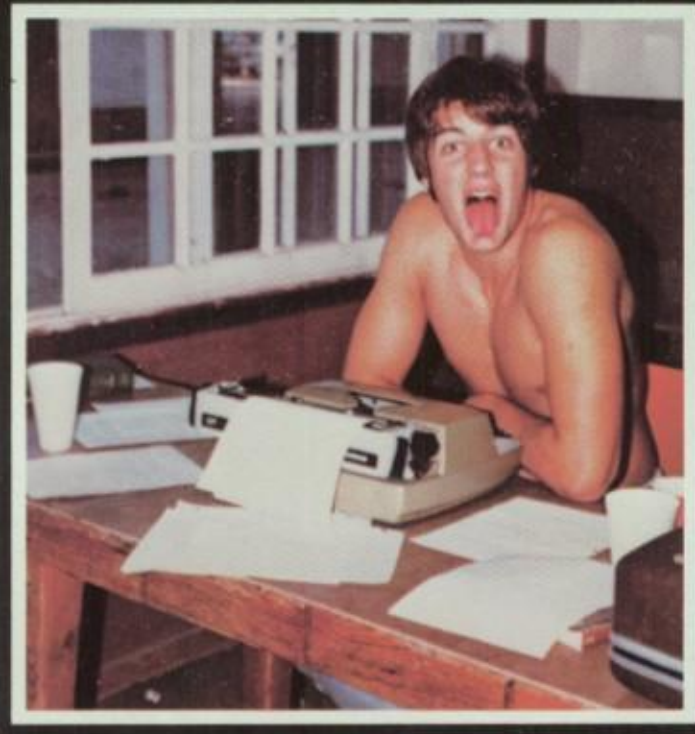
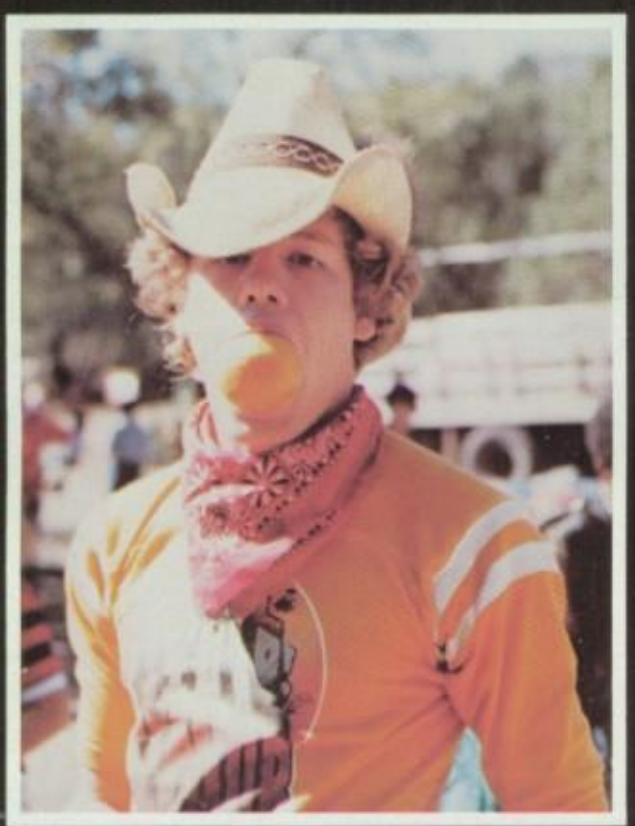
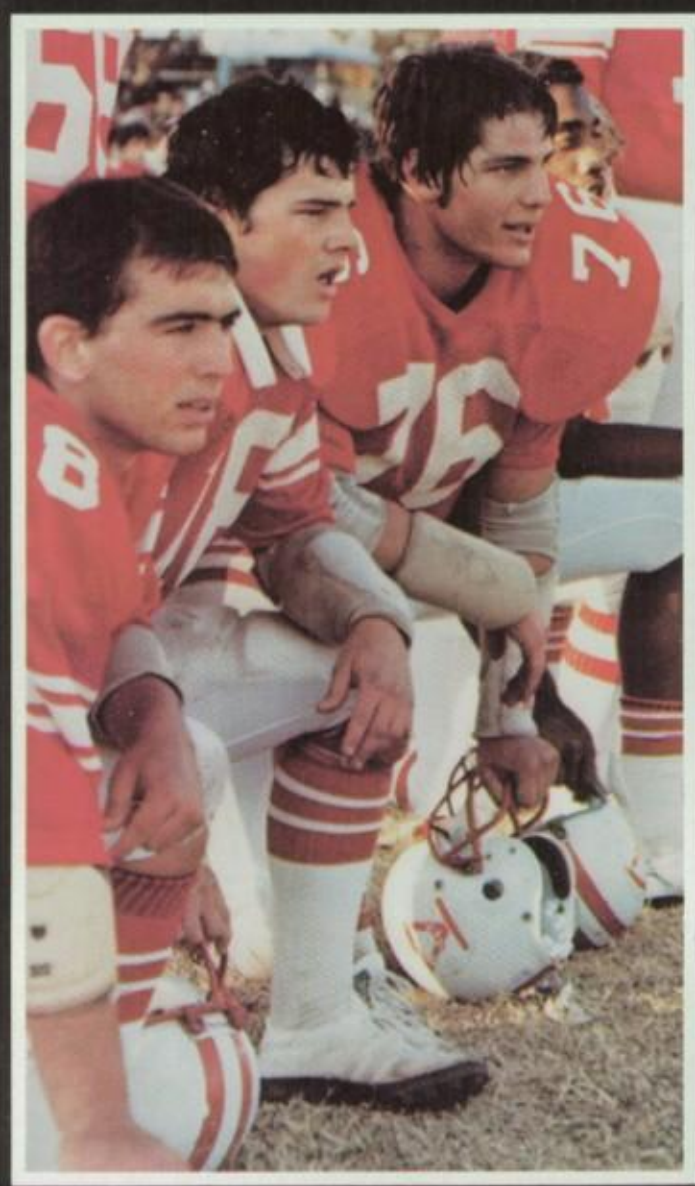
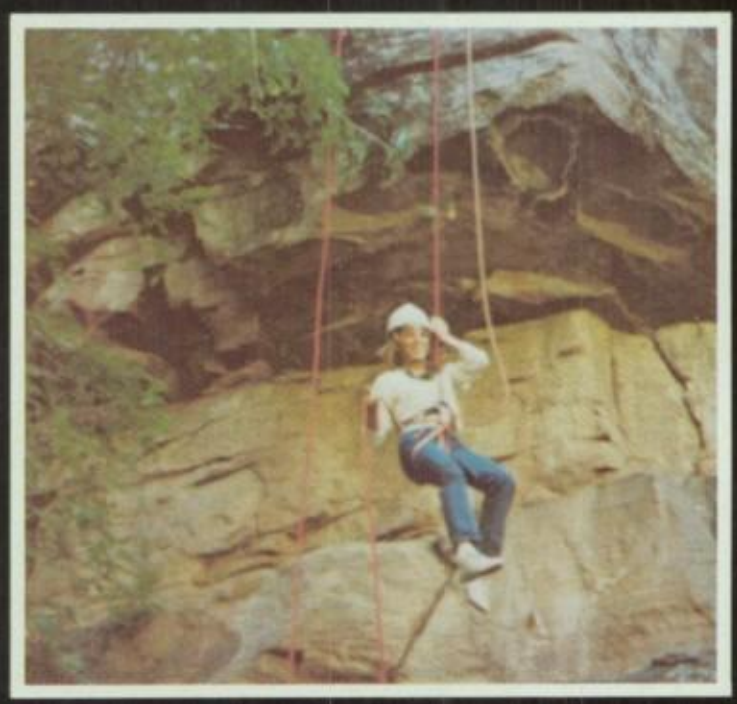
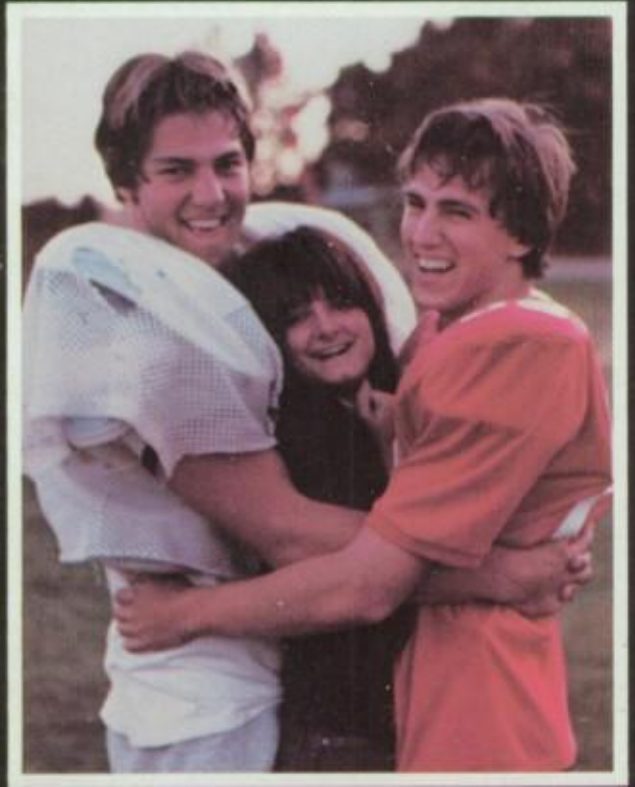
ORME LIFE

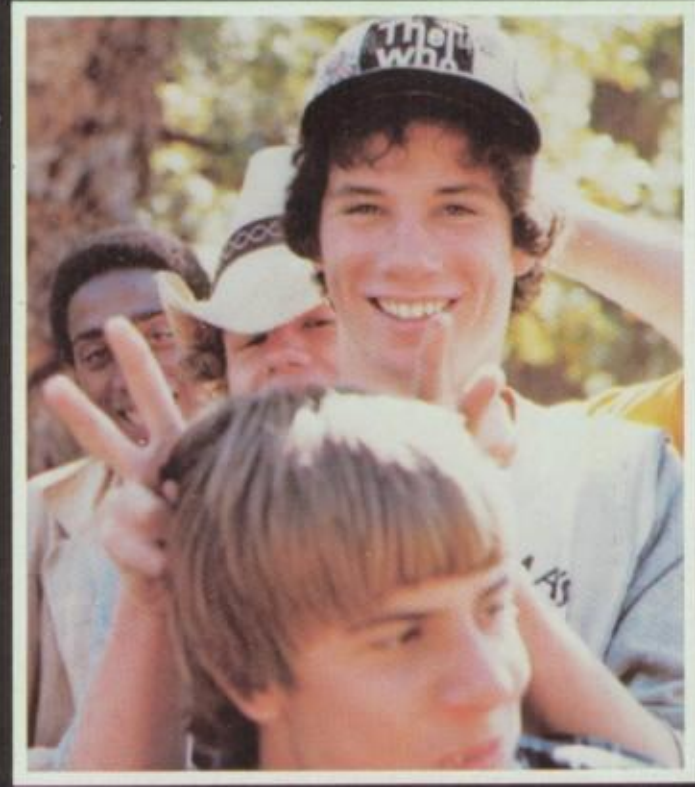


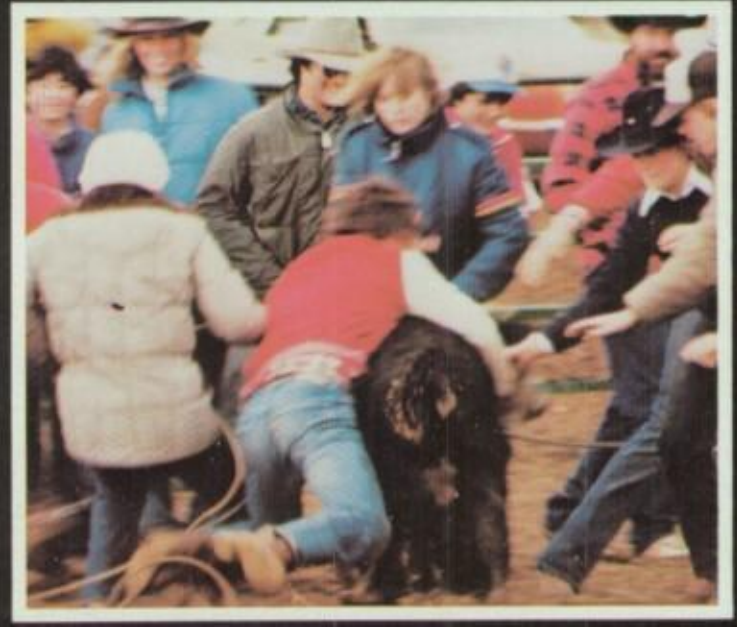






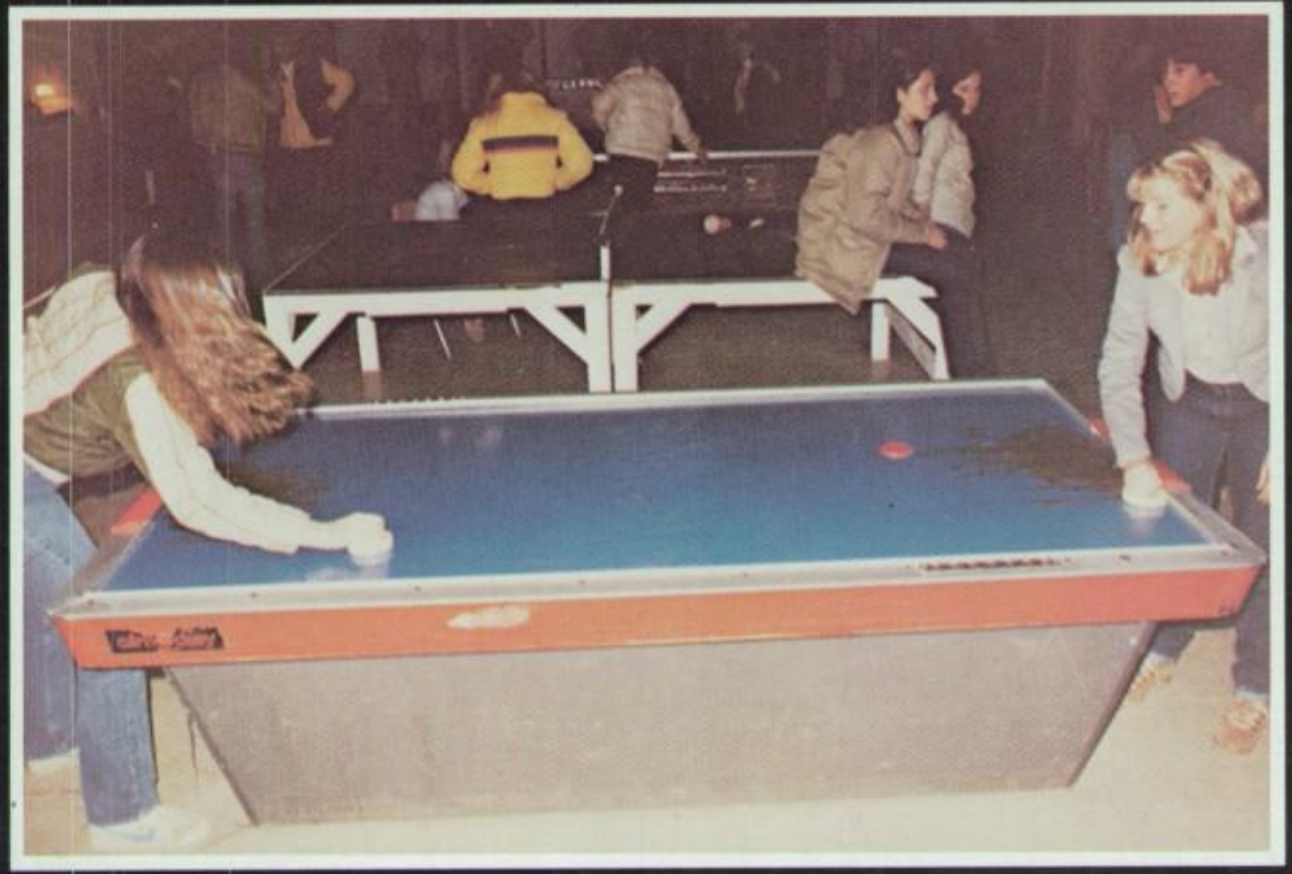


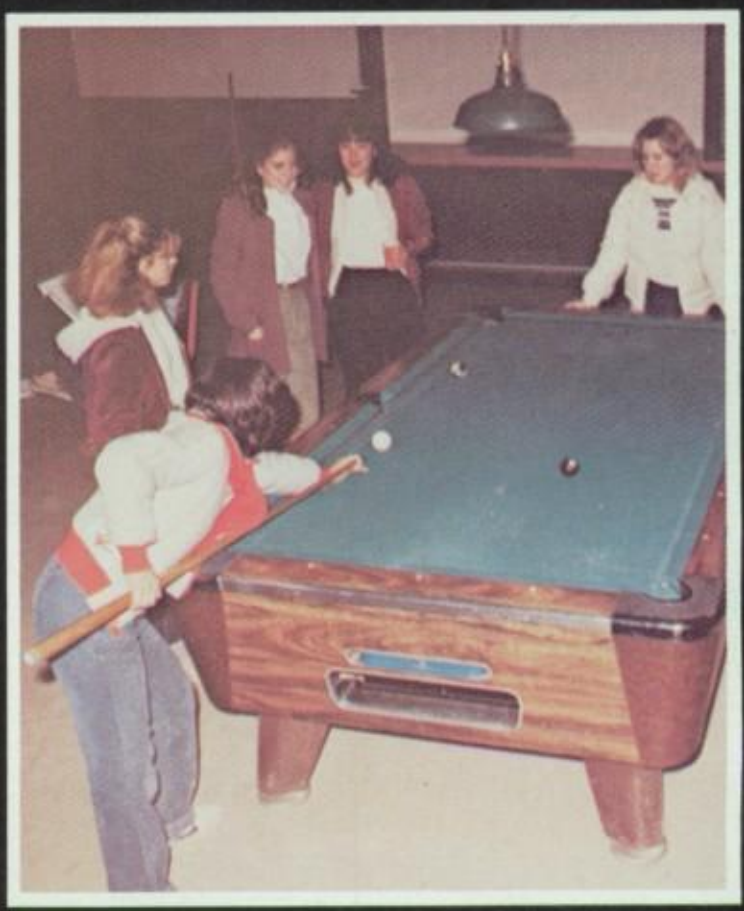




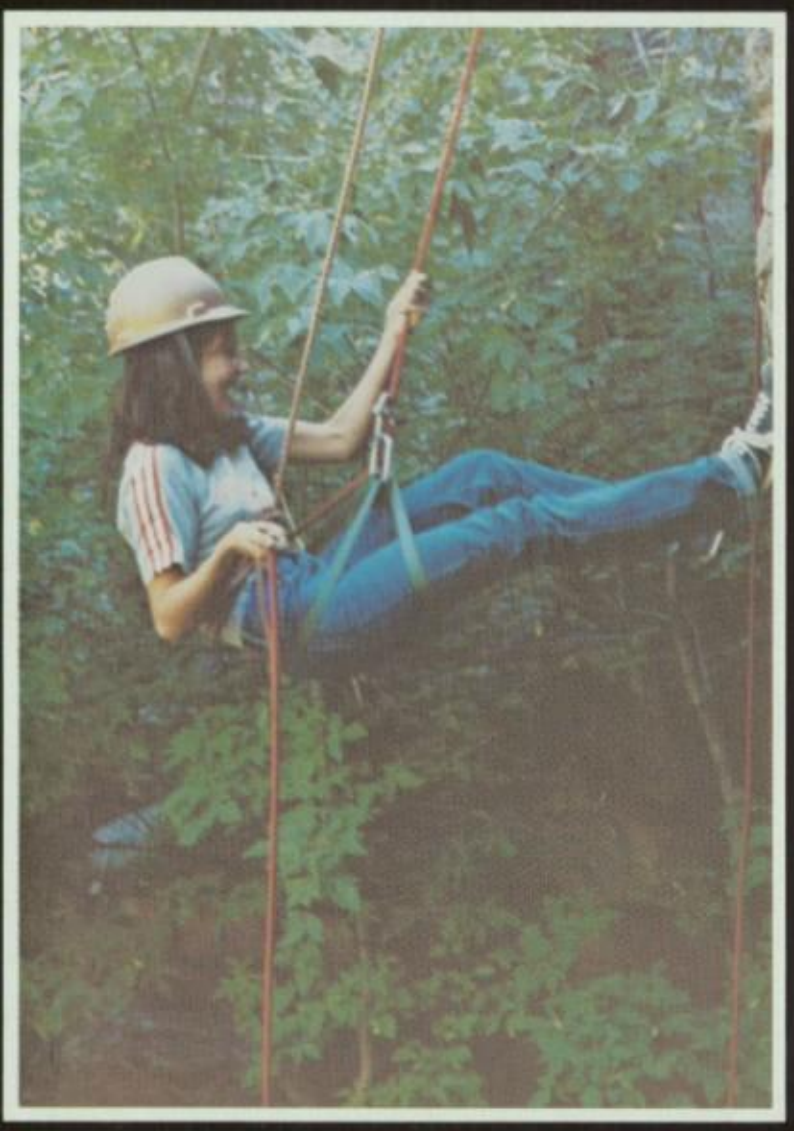
COMMONS ROOM

Remember the Commons Room, that big, empty, cold, dull room that belonged to the students? The place to get a Coke and raise —. Thanks to the work of dedicated people such as Bob Miller and Keith Woods, you can now play air hockey, pinball, pool, video Star Wars or watch color T.V. while relaxing on the new furniture. It's a place to meet friends and forget your problems for an hour or two. Future plans include a video machine for movies, an improved sound system, and more kickback times. Progress is here and belongs to the students. Join in and enjoy yourself.



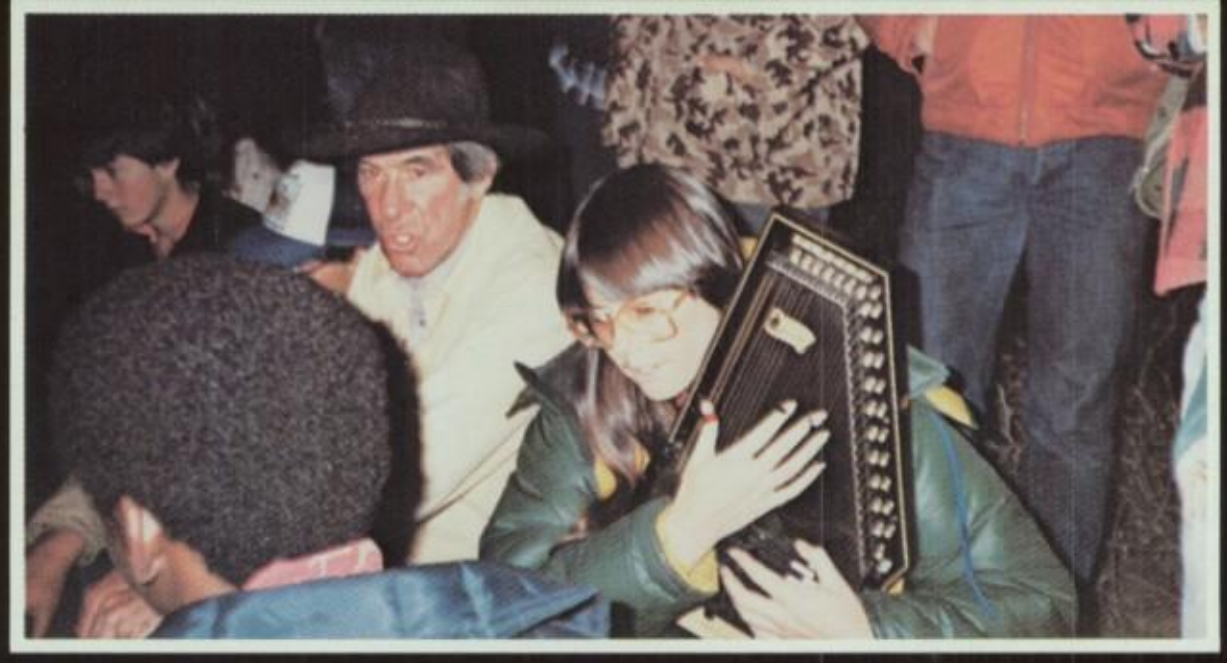


FALL OUTING AT THE NELSON PLACE

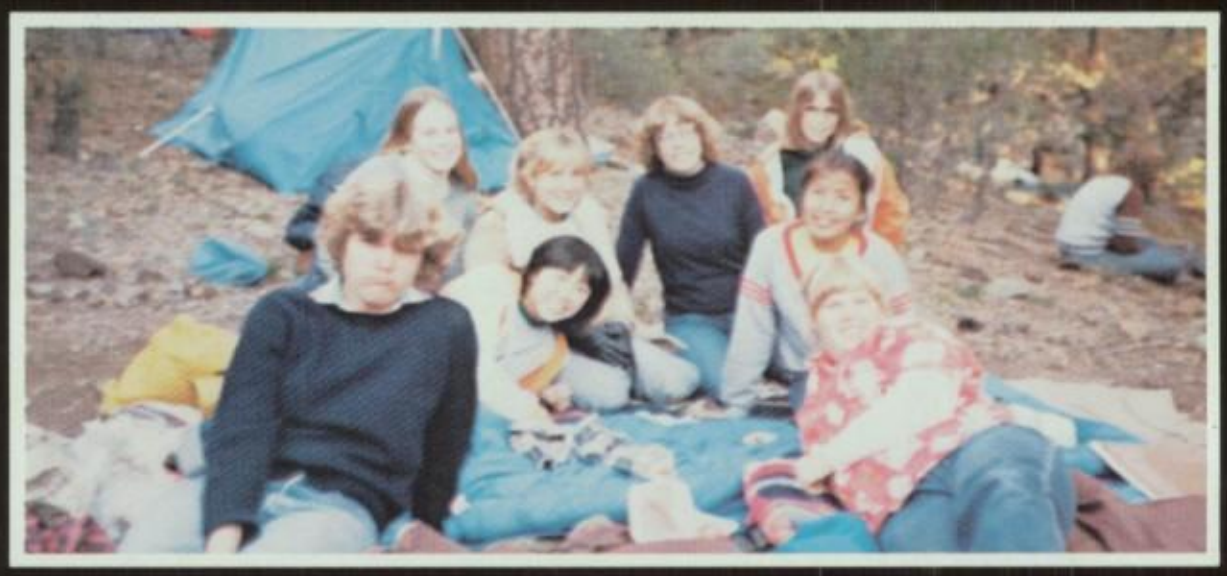


"Rosey, I forgot to tell you that there's snakes down there."

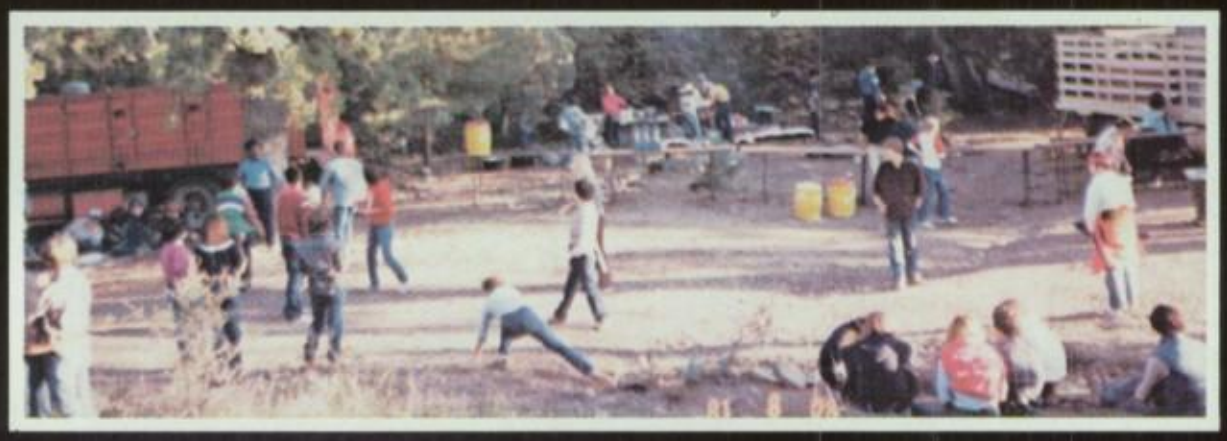
Is this a hodag?



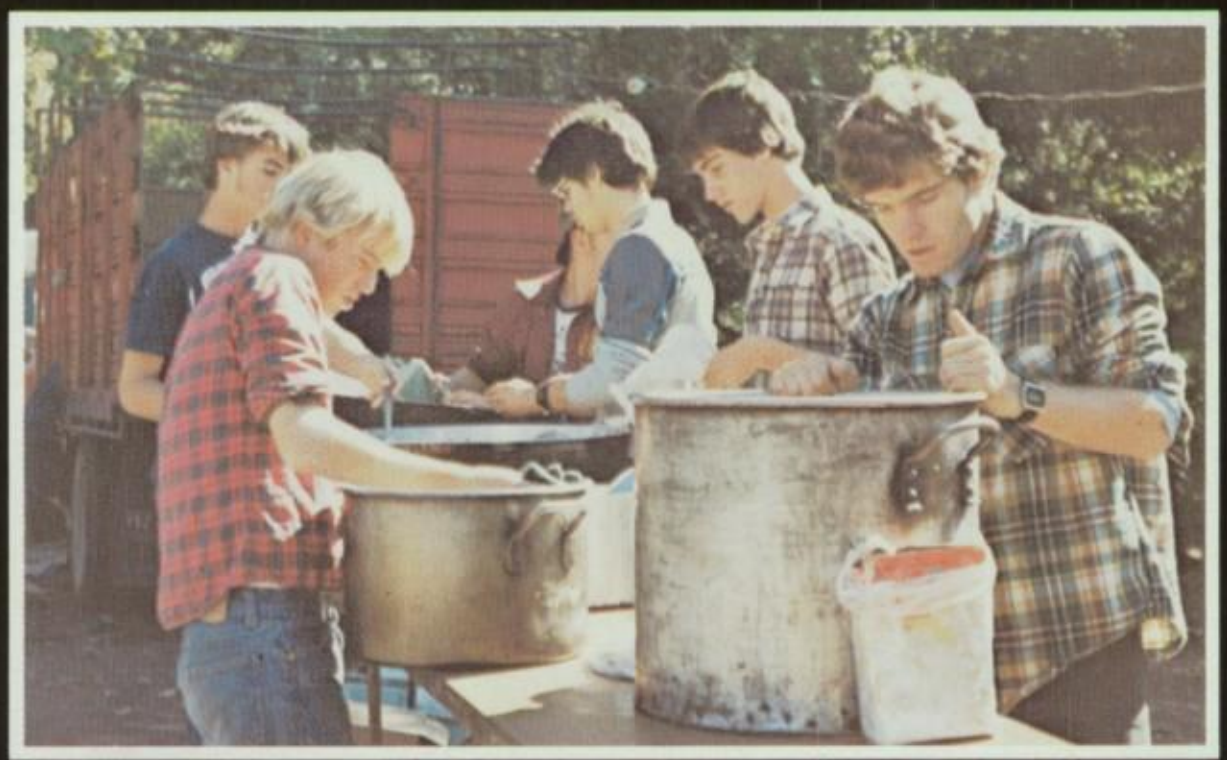
Buck and Ruth lead the campfire



Kicking back and taking it easy

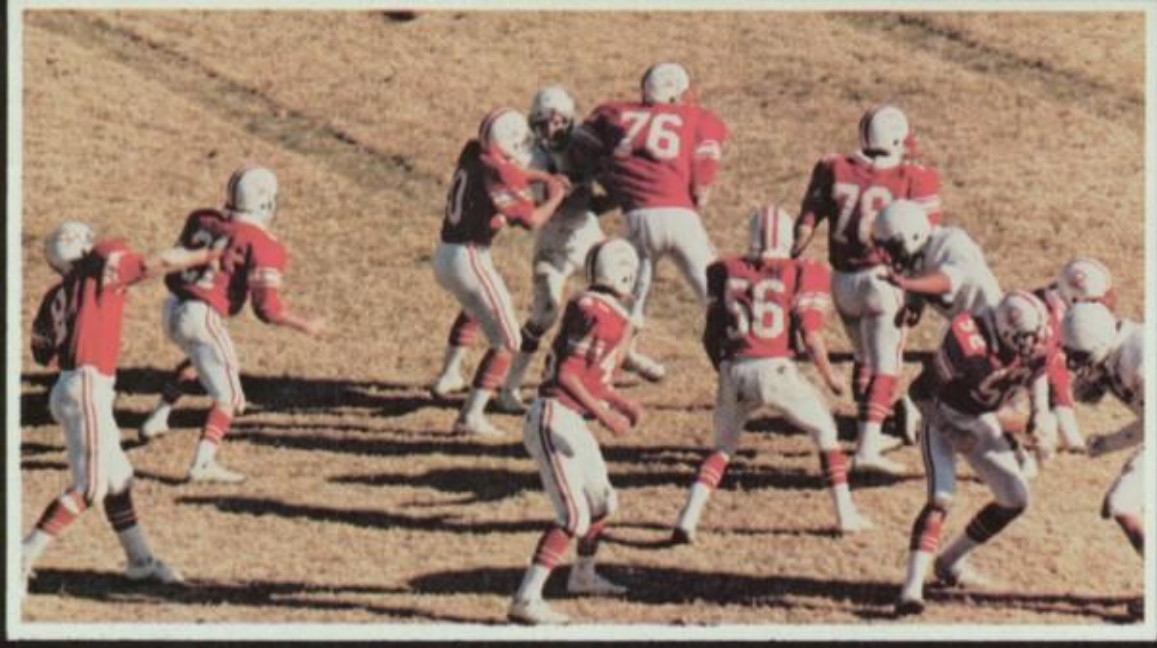


Is this some new nomadic tribe?



"Hey Clay! There's something alive down there."

HALLOWEEN



HOMECOMING

The final football game of the season was the highlight of Homecoming weekend. Friday night started the events with a bonfire and emotional talks by the team captains and Coach Bob Miller. Saturday afternoon, loyal rooters saw the Orme Warrior football team crush Judson 48-13. It was a very emotional ending to an outstanding season, one which those who were there will never forget. That evening, seniors Amy Rowe and Matt Hawkins were crowned Queen and King at the Homecoming Dance. The class of '61 returned that weekend for a 20-year reunion and were very impressed with the progress and improvements of the school and students. Along with the spirit of the student body, the Homecoming tradition is building steadily with each passing year.

THANKSGIVING AND PARENTS WEEKEND

Thanksgiving weekend was a time of celebration and joy. Fall term was completed and students had four days to spend with friends and parents. Thursday morning saw all students finish the last English exam and a clean up of the campus. Just before lunch, the chapel committee held a different and interesting chapel service in the Horsecollar Theatre which included readings, slides, and music. An introduction of the faculty by Buck Hart and students officers by Art McCann was followed by parent-teacher conferences in the Phillips Library.

Thursday evening began with a traditional turkey dinner and was concluded by a student presentation in the Horsecollar Theatre. Under the direction of Ruth Fountain, the sextet and chorus performed a variety of songs. Lee Thompson directed the drama personnel in two short and entertaining productions. Outstanding humor was performed by Janey Kipnis, Mike Brown, and Cheryl Lubin.

On Friday, the annual Thanksgiving Rodeo was held in spite of the rain. Hard work by members of the O.R.A. and director Harley Cox helped make the rodeo a great success. Special awards went to Queen Teal Manley, first attendant Diane Fritz, second attendant Samantha Headstream, All-Around Cowgirl Samantha Headstream, and All-Around Cowboy Peter Vlassis. Many thanks to all the participants and supporters of the rodeo. Special thanks to Mrs. Vlassis for the outstanding dedication of the new O.R.A. Rodeo Arena. Action pictures featuring many of the exciting events follow on the next two pages.

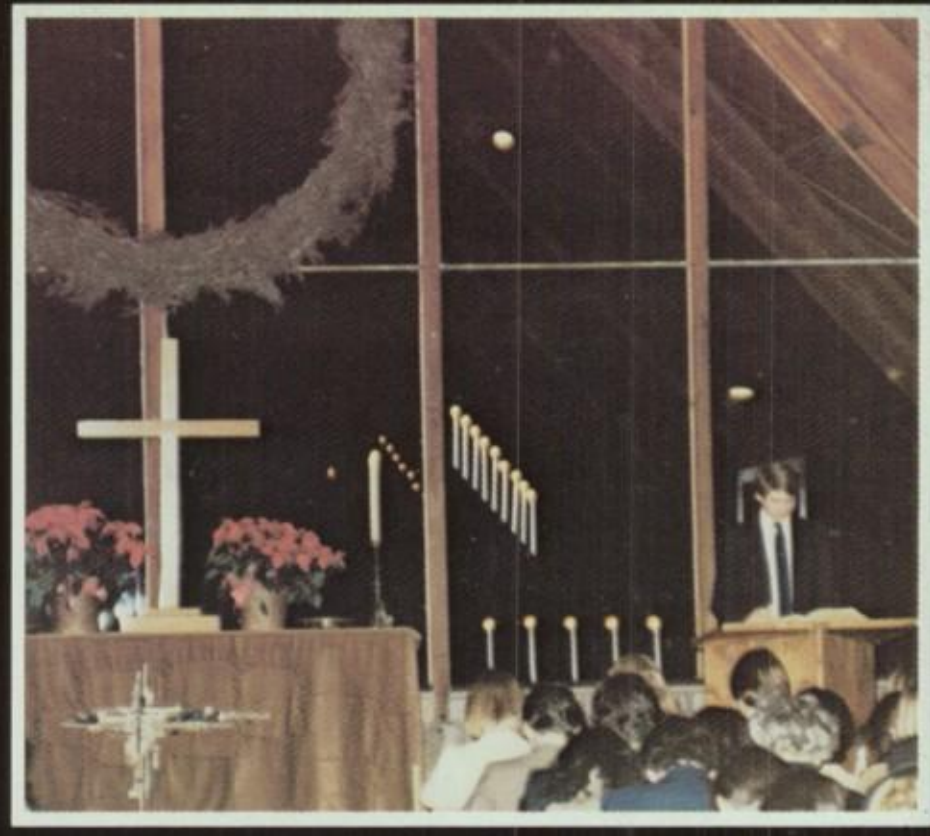
SANTA AND CHRISTMAS AT ORME

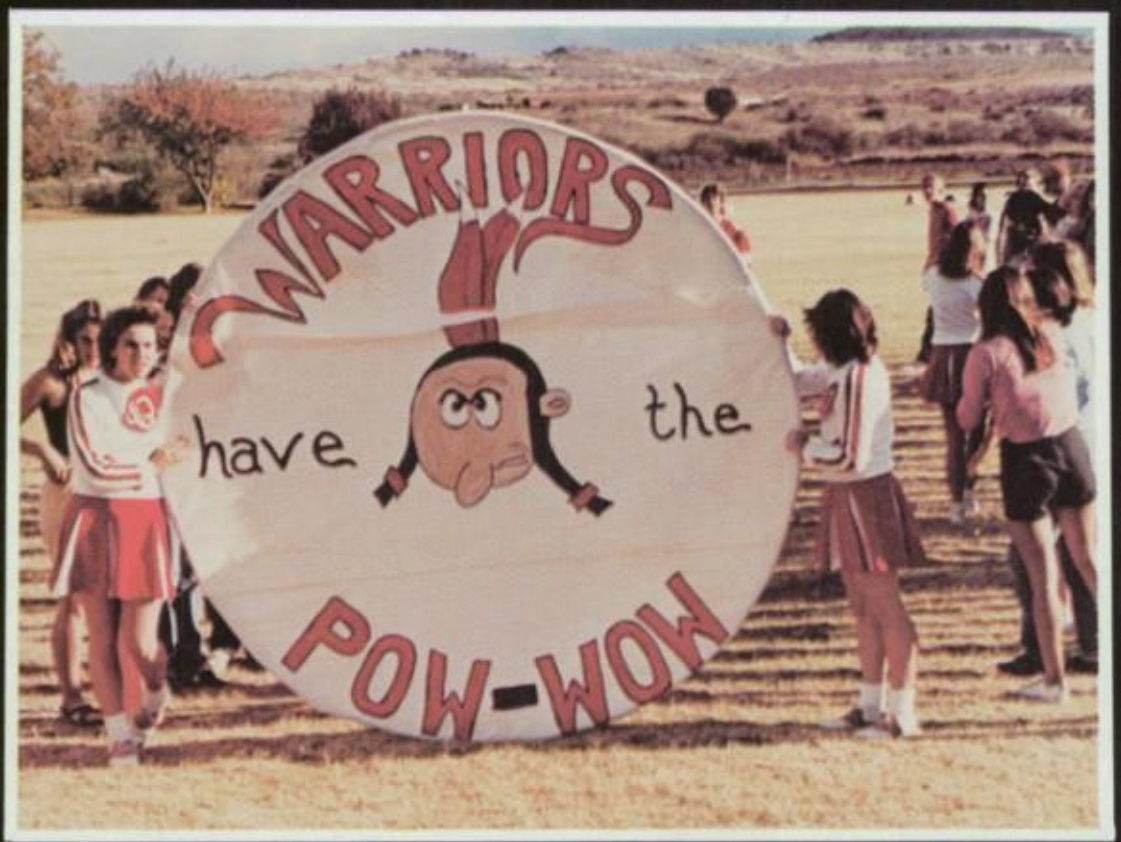


TRADITION OF CANDLELIGHT SERVICE SHINES BRIGHT

The Christmas pageant, Christmas dinner with Santa, and Candlelight service are a traditional highlight every year. Under the direction of Mr. Garst, Mr. Davis, and Ruth Fountain, the Chapel Committee, chorus, and sextet performed in the spirit of Christmas for all. It was a beautiful start for a holiday vacation. See you next year!

CHEERLEADERS AND ATHLETICS

The athletic program at Orme is growing in reputation around the state. Team and individual performances continue to improve, and we are joining in more league competition. Varsity teams are growing in numbers and students are enjoying it more. Alumns are coming back to visit old friends and cheer us on to victory. The cheerleaders provide the spirit and enthusiasm to lead the student body in support of the Warriors. From football and volleyball in the fall to baseball and track in the spring, the cheerleaders and student body are behind you Warriors. "Here we go Warriors — all the way!" "Everywhere we go, people are sure to know who we are!"



CROSS COUNTRY

Top row: C. Lowe, W. Shepard, H. Brownstein, C. Nicolson. Middle row: B. Baker, T. Beeson, M. Konheim, P. Esser. Bottom row: B. Clark, S. Flynn, M. Nutumya

The Cross Country team completed its season with a 4-5 record. The team started out strong, but lost the services of three of the top seven runners for the last half of the season, and thus slipped in competition. With five of the top six runners returning for next year, good things are expected. Strong performances were turned in by Sean Flynn, Tracy Harris, Will Shepard, Bill Clark, Peter Corn, and Maynard Nutumya. Bill and Maynard picked up special awards, Bill being the most dedicated runner of the team, and Maynard being the most valuable member of the team. The highlight of the season was the victory over Buckeye and Peoria, two large schools from Phoenix.

Letter winners for the team were Maynard Nutumya, Bill Clark, Peter Corn, Tracy Harris, Sean Flynn, Will Shepard, Bill Ames, and Chris Lowe. Other winners for the team were Mike Konheim, Bob Baker, Coll Nicolson, Matt Hawkins, and Peter Esser. Terri Beeson, the lone female on the team, performed well and finished first in several meets.

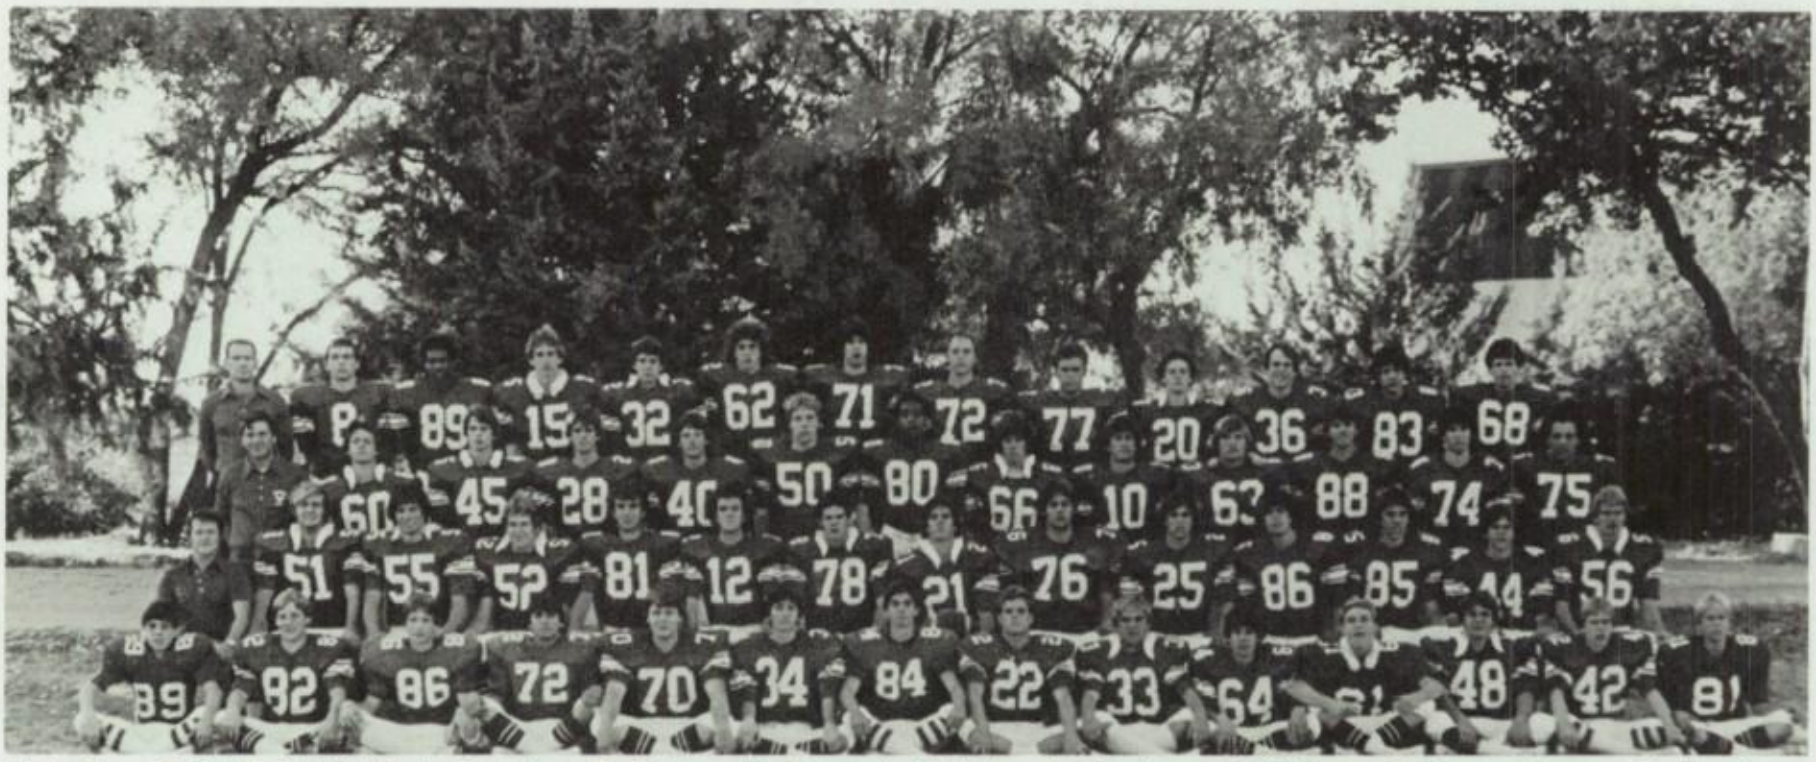
FOOTBALL - THE TRADITION BUILDS



First Row: E. Baldi, B. Wohlford, B. Odom, R. Richter, M. Rehmet, M. Holley, L. Tarntuzer, B. Holway, D. Knappenberger, C. Trautman, A. Jessup, D. Draa, S. Knipfel, P. Hof. Second Row: Coach Curry, K. Woods, M. Muster, S. Dicks, J. Moore, R. Bliss, R. Woodward, R. Holway, M. Erlin, A. McCann, R. Montgomery, C. Christiansen, M. Martin, T. Sakall. Third Row: Coach Barrick, G. Atkins, G. Barrick, D. Shepard, J. Dent, K. Covey, A. Benjamin, J. Gueringer, M. Harnett, K. Glendening, C. DuPont, H. Horner, D. Bullwinkel. Fourth Row: Coach Miller, A. Miller, E. Martin, R. McCann, J. Kessler, K. McDaniel, S. Ressallat, J. Marcus, N. Foley, N. Deer, J. West, R. Los Banos, T. Spiva.

With the toughest schedule in the history of the school, the "Big Red" machine came within six points of an undefeated season. Only a fumble inside the ten yard line stopped a possible upset of Class AA Lake Havasu. The season's eight victories included five Class B West teams, a league which Orme will enter next year. As a member of the B West public school league, the Warriors will be eligible for Class B state rankings and all state selections.

This year's team was led by the blocking of Captains Mike Erlin and Rich Woodward, and the running of Captain Ric Holway. The season was a total team effort on both defense and offense, with many star players. The Warriors were honored by the PAC-10 Conference when Mike Erlin received a full scholarship to the University of Oregon.

Just as this year's team was helped by six starters from last year's Junior Varsity, next year's team will receive support from a Junior Varsity of 33 players. Coaches Bob Miller, Don Barrick, and John Curry enjoyed working with a fine group of young men and look forward to next year.

GIRLS VOLLEYBALL

The 1981 Warrior Volleyball team presented a balance of youth and experience. The "starting six" consisted of three seniors, two juniors, and a sophomore. This team also showed more depth than any in recent history. This allowed the Warriors to present a much more complex offensive and defensive system allowing some players to specialize.

With so much talent, it seemed inevitable that the Warriors would achieve more than their predecessors — and achieve they did. The Warriors won the A.I.A.A. league championship with a 7-1 record and defeated two public schools in the same season. Overall the Warriors compiled a 10-3 regular season record. The team lived up to all expectations and hopes. Coach Rowe summarized this team by saying: "This team played with the poise and maturity seldom seen in high school athletics. They are winners."

Top row: C. Garst, H. McLaren, J. Rowe, M. Griffin, S. Takita Middle row: L. Rouch, R. Flinn, M. Noro, S. Crawford, M. Marshall Bottom row: C. Cohen, C. Willke, C. Fry, Y. Iida

BOYS BASKETBALL-STARTS A TRADITION

Coach Brownstein, A. Miller, M. Hartnett, S. Dicks, J. Moore, C. Christiansen, M. Muster, A. Benjamin, R. Montgomery, C. Barrick, S. Noman.

Coach Pavlich, R. Kelly, B. Clark, D. Mott, J. Moore, S. Tiller, E. Martin, S. Pearson, M. Nutumya.

The boys varsity basketball team finished the year with a highly successful 15-4 record, compiling the most wins in school history. Season highlights included a first ever win against basketball power Camp Verde, a first ever win at East Fork and participation in the newly established State Championship for private schools. No one single individual dominated this year, as evidenced by the fact that four warriors, Rob Montgomery, Alan Benjamin, Chris Christiansen and Allen Miller all averaged between 12 and 18 points for the season. Benjamin and Christiansen dominated the backboards, while Christiansen, Miller and Stef Dicks dominated play on defense, Stef, along with Mark Hartnett ran the offense, and were quite instrumental in setting up the top four scorers. Craig Barrick, Mike Muster, Sam Noman and Jon Moore were all valuable off the bench.

Proud of forming a winning team is first year Coach Howard Brownstein: "We won because team members were disciplined, worked extremely hard, and always emphasized team play". With five wins over public schools this year Coach Brownstein feels that the team can now compete with any school of comparable size.

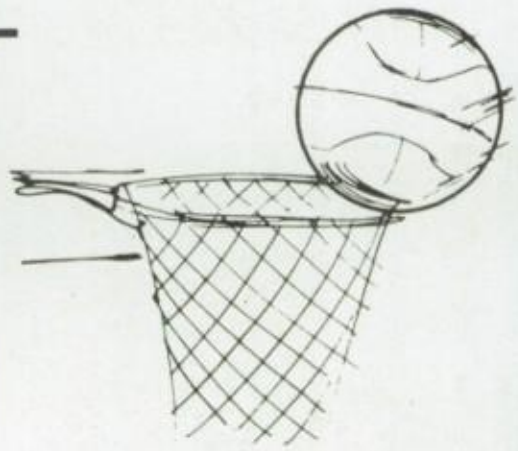
GIRLS BASKETBALL



The girls basketball team improved by the end of the season. The arrival of many new players required time to develop team work and play making. Rebounding was provided by Kim Von Dran, Melodie Woody and Renee Flynn. The scoring was lead by team captain Melinda Griffin.

Graduation will take five fine players this year: Terri Beeson, Renee Flynn, Amy Jasinski, Maggie Marshall and Melinda Griffin. The future looks positive for the Juniors and Sophomores who developed with experience this year. A Junior Varsity of thirteen strong will help fill the team next year.

First Row: A. Mueller, L. Marenstein, M. Jeffrey, J. Anderson, J. Hutchins, Y. Iida. Second Row: Coach Lindhurst, C. Celniker, T. Gates, D. Neiman, G. Taylor, S. Frith-Smith, K. Urlbauer.

Team First Row: M. Konheim, P. Hof, R. Holway, T. Jasinski, E. Baldi, L. Brailsford. Second Row: Coach Bell, T. Spiva, B. Baker, N. Foley, J. Kessler, J. West, B. Tinsley.

The 1981-1982 Warrior Wrestling team was marked by drastic contrasts. On one end of the spectrum was the experience of Senior Captain Ric Holway and Freshman Tim Jasinski and at the other a team of 1st year wrestlers.

Coach Bell and Coach Rowe both expressed satisfaction over the performance of the 2 experienced wrestlers. "The only way to describe Ric Holway in a wrestling match is controlled fury" stated Coach Rowe after Holway's win in the Joseph City tournament. Coach Bell speaking of the first year wrestlers said "Each of these young men worked hard all season to become competitive wrestlers. Without exception, they achieved their goal.

The Warriors look forward to a strong group of returning wrestlers for the 82-83 season.

SOCCER

This year's soccer team went through a trying season after losing many of last year's starting line-up, but they pulled together and worked hard, having a 3-3-2 record. The team was led by Captain Rick Bliss until an unfortunate injury which kept him off the turf till the end of the season. Ned Deer also had an outstanding season with a team leading 12 field goals. It is certain that seniors Rick Bliss, Robby Bigelow, Art McCann, Travis Owen, Bill Ames and Scott McCann will be missed, but the younger leading members such as Ned Deer, Burnet Wolhford and Andy Jessup will keep the tradition going strong.

Glendening boots it with style.

Well, it's over. Now for the hard stuff. Orme has brought on a lot: Excitement, Labor, studies, parties, love, good times and hard times. "Thanks" doesn't seem to be enough. Jeff, Augsy, Gale, Keith, you are all a big part of it. Jeff, the best of friends and roommates. When I needed someone to kick me where it counted, you did it. We've been through a bunch of times - you made the hard times smoother. You kicked only like a cowboy can, you had many solutions to hard problems.

Sykes, you'll never know what you meant to me, you were more than a "girlfriend."

"If a man does not keep pace with his companions, perhaps it is because he hears a different drummer. Let him step to the music he hears, however measured or far away." Thoreau

Jeff, clean up the room. Hey dude, what's up? Gotta dip? How's life? Hey Lowe, how's your dog? Pav, thanks for your help, remember, bow hunters have longer . . .

Thanks Mom, Dad. What an opportunity.

There are so many things that I want to say but very few words to put them in. My bottle of time is overflowing with the memories that were answered by you. I have learned so much in so many ways, but no one can put a price on what I have learned at Orme. The people and friends that I have come to know is why this place seems like my home. The events that I have experienced have passed by oh so quickly. But the times that I have seen and the people that really mean so much is why my memories can never be touched.

ACTIVITY EVENTS ORGANIZATIONS

THE CHALLENGE OF SURVIVAL

With Mr. Garst as our leader, we looked at those massive moutains and knew we could do it. Mr. Garst always knew when to stop: he would push us to the brink of endurance. A little more and we would have given up, a little less and we would have been disappointed.

For those who were struggling, the rear was always a nice place to be. Mr. Houston would lift everyone's spirits and keep them striving for that final destination. Survival creates a unity. The essence of life comes to reality. It's doesn't matter what you have, or what you look like, but what counts is what's inside.

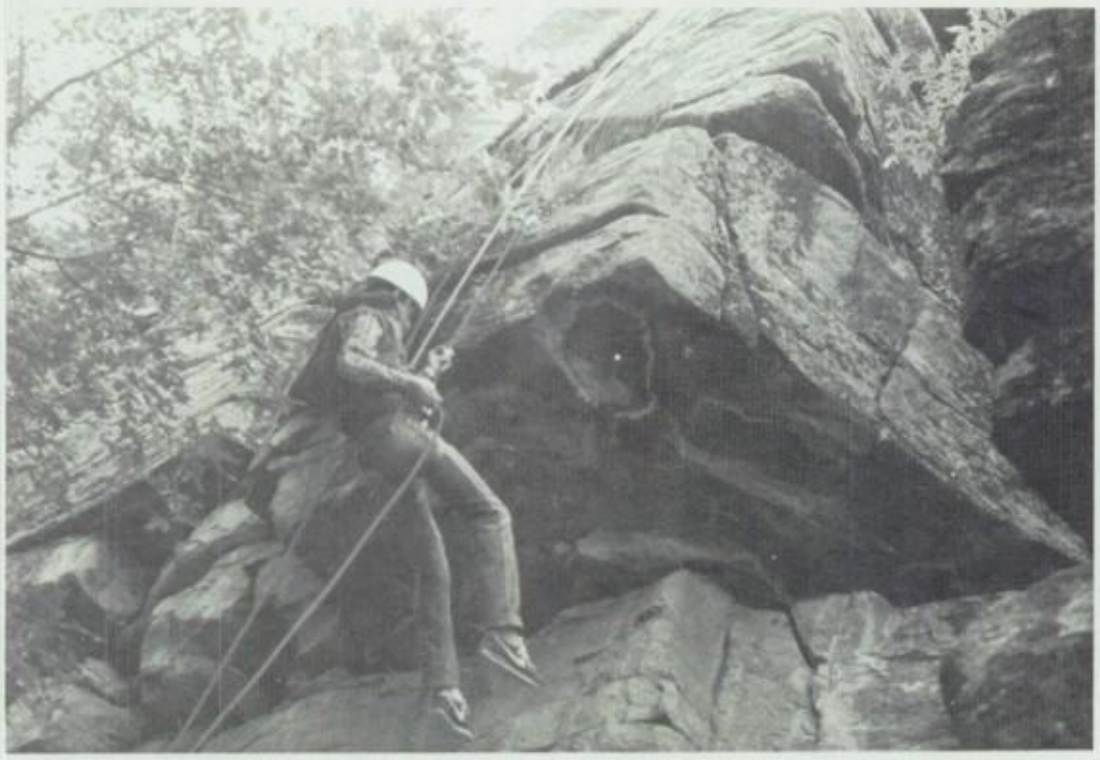
Ouch! You can be Jane - Rosie W.

No sweat. Beth S.

Are you sure this is right? Mike B.

Stretch Beth

Advanced survival's "Home-Sweet-Home".



Great sport - watch out for the overhang!

You think this is easy? It's fake - Chris L.

The kiva - Hopefully cow-proof this time!

FELLOWSHIP OF CHRISTIAN ATHLETES

Chapel Committee is a group of students sponsored by Mr. Davis who plan and organize chapel services. Chapel is held on Sundays and Wednesdays. The services often include music and guest speakers. It is a major part of Orme life, a calm, quiet time. The year's Committee has worked hard and successfully to make services interesting and inspiring to the community.

The purpose of the Fellowship of Christian Athletes huddle is to bring together Orme athletes to talk about their concerns, feelings and faith. Teammates join together in fellowship and share their committment to Jesus Christ around the common bond of Christianity and sports.

Dearest Robyn,
I think we made Hall Pretty excellent! Four years at ORME is more than enough for me! It was pretty crazy the way we got to know each other at the pool party! I didn't get to see much of you cuz you always seemed too busy to spend anytime with a chaap Mexican like me. I'll always remember you and I'm sure you'll remember me because of the newspaper article.
P.S. Please keep in touch!

Robyn-
Well, you've been a great friend for the past two years. I really enjoyed getting to know you. Good Luck in the future and may no harm ever come upon you. :)

Love Always,
Eli 5-24-82
(Elizabeth)

Robyn.
I wish we could of become friends earlier in the year. We had some bad times. Call next year and we'll go on walks together. Have a lot of a summer.
Love
Heidi.

Robyn, it was good to know you. I was sad to see you must go to Rogers to get your ears pierced. I wanted to get mine done too. Good luck in the future and forever. Good luck to a very good friend.
Love, Michael

ROBIN - HOOTER:

WE'VE BEEN GOOD BUDDIES FOR QUITE SOME TIME (HUH? YA!). IT'S TOO BAD SOME OF OUR BUDDIES LIKE MARGO COULDN'T MAKE THROUGH TO GRADUATION, BUT THAT'S LIFE. THANK YOU FOR YOUR FRIENDSHIP THROUGHOUT THE YEARS - TAKE CARE AND WRITE OCCASIONALLY.

LOVE,

KEITH B.

Robyn -

So Your graduating. Your last year and my first. Time sure flies that bad. You a very pretty girl. I'm really glad I've gotten to know you. I hope that you'll come back here and see me. Take care and get everything you want out of your life ahead

Love, Andy
